

We are stronger
together

Welcome to the Constellation Society

Northwell Health is grateful for your leadership-level annual support. With your generosity, we will continue to offer the highest quality care to two million people right here in New York and countless more around the globe who come to us for specialty care, regardless of their ability to pay. Thanks to your support, we can power the engine of discovery and cultivate the spirit of innovation that thrives throughout the health system.

To thank you for your generosity, we are pleased to offer members of the Constellation Society a variety of benefits based on your current level of giving. You will have access to unique opportunities and receive special privileges such as invitation-only events, private educational webinars and materials, and one-of-a-kind opportunities to meet with key physicians and leadership. These exclusive benefits are reserved only for dedicated leaders like you who understand the power of philanthropy and how it can change lives.

Thank you for your commitment and friendship. There is so much we would not be able to achieve without your support. We are delighted to have you as part of the Constellation Society and look forward to partnering with you as we work hand-in-hand to build a better tomorrow at Northwell Health.

We hope you take advantage of the extraordinary opportunities to learn more about the amazing things happening at Northwell and stay up to date on the latest wellness and prevention information. Together, alongside the people we serve, we can all live our healthiest possible lives.

Membership has it rewards
